HOUSE CHARITIES
of Central Florida, Inc.

Our Mission

Ronald McDonald House Charities of Central Florida finds, creates and supports programs that directly improve the health and well-being of children and families.

Our Purpose

The cornerstone program, the Ronald McDonald House, provides a “home-away-from-home” that offers comfort and care to families with children receiving treatment at local hospitals and medical facilities in Orlando.

Our Houses

There are two Ronald McDonald House locations in Orlando – one on the campus of the Walt Disney Pavilion at Florida Hospital for Children at the corner of Princeton and Alden Road and the other on the campus of Arnold Palmer Medical Center on Kuhl Avenue.

Our Families

While there is no charge for our services, donations are greatly appreciated to ensure these services continue to be available for future guests. No family is ever turned away due to their inability to contribute.

Our Community

80% of our revenues are directly from the Central Florida community. Revenues from fundraising and special events, corporate and individual contributions, foundations, local McDonald’s customer donations, and guest donations provide funding for the Houses.

Our Volunteers

More than 200 volunteers provide the backbone of the Houses. In-house volunteers work three, four-hour shifts everyday. They check families in and out, answer telephones, give House tours, perform light house-keeping, assist with clerical work and provide emotional support for the families.

Keeping families together when they need it most.

“Our son was born 13 weeks early weighing only 1 lb 13 oz. We knew he would be in the hospital for several months. If I hadn’t been able to stay at the Ronald McDonald House, I would have stayed on a couch somewhere in the hospital - we are so thankful. I do not have enough words to say what it meant for us to have been able to stay for 3 months. Now RJ is almost 6 and in kindergarten; unless you really know his story he seems just like every other little boy.”

Ways to Help

Share-A-Night

Each year, Ronald McDonald House Charities® of Central Florida encourages members of the community to “Share-A-Night” by sponsoring family stays. As little as \$15 can help underwrite a family’s over night stay at a Ronald McDonald House. No family is ever turned away due to their inability to make a contribution.
